

Frank Lloyd Wright In Pop-Up

About the book

- This is the second in our series of landmark architectural pop-up books. The book celebrates a selection of this most famous of architect's buildings and interior design. From the majesty of 'Falling Water' to the iconic Guggenheim Museum in New York all the buildings rise from the page through use of state of the art paper engineering. The authoritative text of this architect's life and career is complemented throughout with colourful and extensive photographs.
- Rights Sold: Worldwide English Language.
- International co-edition rights available exclusively from Threefold.
